**Asian Sumit in Jakarta**

384. DR. KARAN SINGH:

DR. T. SUBBARAMI REDDY:

Will the Minister of OCEAN DEVELOPMENT be pleased to state:

(a) whether Indonesia has also invited India to attend Special Asian Summit in Jakarta on 6th January, 2005 to chalk out a strategy to deal with situation arising from Tsunami disaster;

(b) whether India convened a meeting in January, 2005 where experts from US, Canada, Japan, Indonesia and Sri Lanka discussed technical aspects of proposed Tsunami management system; and

(c) whether Government have decided to install equipment required for predicting Tsunami which would have three components *i.e.* earthquake detection, tsunami detection and warning dissemination to Government agencies and people in coastal areas?

THE MINISTER OF STATE OF THE DEPARTMENT OF OCEAN DEVELOPMENT (SHRI KAPILSIBAL): (a) A meeting of the ASEAN Leaders was held in Jakarta on 6th January 2005. Leaders made a commitment to establish a Regional early warning system. India was represented in the meeting by the Hon'ble Minister of External Affairs.

(b) Yes Sir. A meeting was convened by the Department of Science & Technology on 21-22 January, 2005 in New Delhi on the Great Tsunami event of 26 December, 2005. Experts from US, Canada and Japan besides Indian delegates participated.

(c) Yes Sir.
